SAFETY

· Teen Driver a configurable feature that lets you activate customizable vehicle settings associated with a key fob, to help encourage safe driving behavior. It can limit certain available vehicle features, and it prevents certain safety systems from being turned off. It includes the Buckle-to-Drive feature which prevents the driver from shifting from Park for up to 20 seconds if the driver's seat belt is not buckled. An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
