Tire Pressure Monitoring System auto learn, includes Tire

Fill Alert

Tire Fill Alert provides visual and audible alerts outside the vehicle when inflating an under inflated tire to the recommended tire pressure

Teen Driver a configurable feature that lets you activate customizable vehicle settings associated with a key fob, to help encourage safe driving behavior. It can limit certain available vehicle features, and it prevents certain safety systems from being turned off. An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
