SAFETY

Horn, dual-note Tire Pressure Monitoring System, auto learn LATCH system for child restraint seats

Teen Driver a configurable feature that lets you activate customizable vehicle settings associated with a key fob, to help encourage safe driving behavior. It can limit certain available vehicle features, and it prevents certain safety systems from being turned off. An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver

Seat belts, 3-point, rear, all seating positions Seat belts, 3-point, driver and front passenger includes pretensioners and load limiters • Buckle to Drive prevents vehicle from being shifted out of Park until driver seat helt is fastened; times out after 20 seconds and encourages seat belt use, can be turned on and off in Settings or Teen Driver menu.
